Create the Quiz

1. Return to 'My Media' and the YouTube video will be there

The screenshot shows the 'My Media' dashboard. At the top, there's a search bar and a 'Filters' button. Below that, a navigation menu includes 'Add New' and 'ACTIONS'. The main content area displays a video card for 'The University of British Columbia: It's Yours', which is highlighted with a red border. The video card includes a thumbnail, the title, a description, and a 'Private' status label. Below the video card, there are icons for likes, play, and comments.

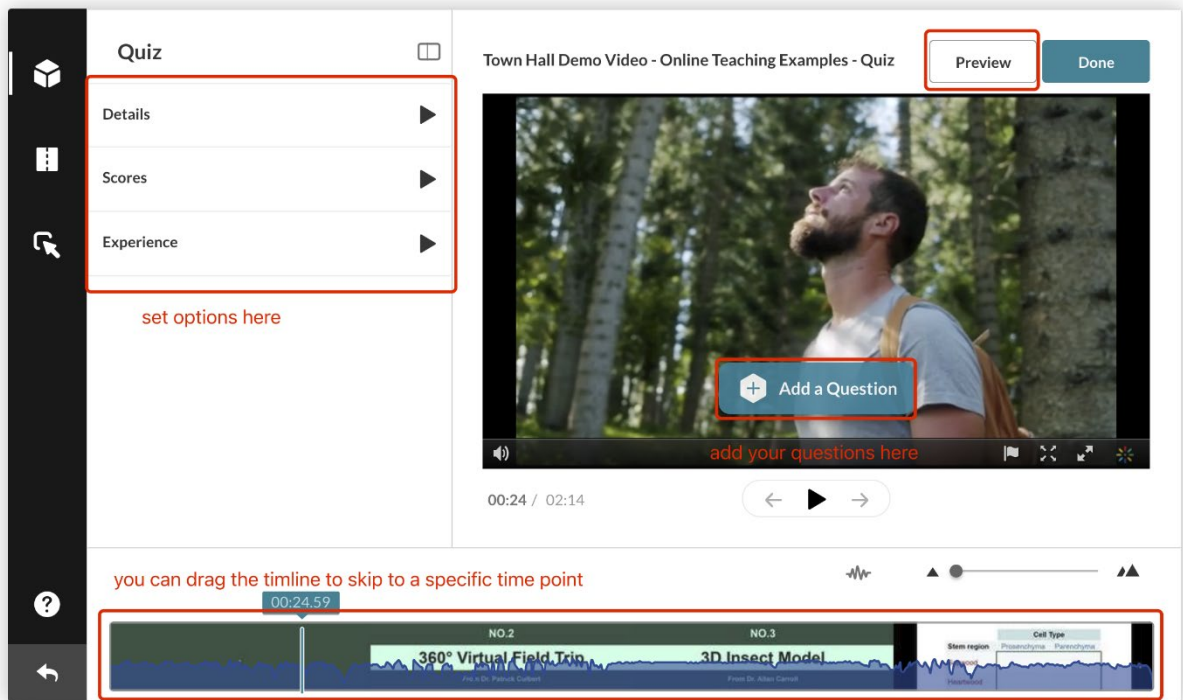

2. Click 'Add New' and select 'Video Quiz'

This screenshot shows the 'Add New' dropdown menu. The 'Add New' button is highlighted with a red box. The dropdown menu lists several options: 'Media Upload', 'Webcam Recorder', 'YouTube', 'Kaltura Capture', and 'Video Quiz'. The 'Video Quiz' option is highlighted with a red box.

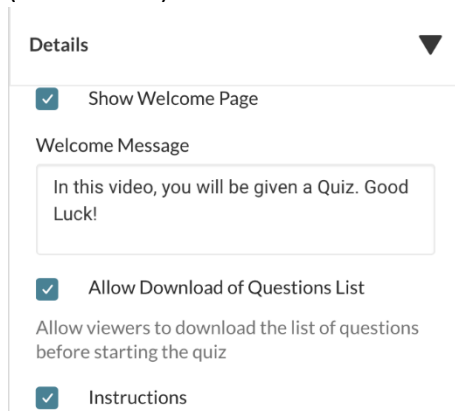

3. Click 'Select' on the preferred video

This screenshot shows the video card from the previous step. The 'Select' button is highlighted with a red box. The video card displays the title 'The University of British Columbia: It's Yours', a description, and a 'Select' button with a right-pointing arrow.

4. General Configuration

- a. In **'Details'**, you can rename your quiz, add welcome page with welcome message, allow (or not allow) students to download the questions list, etc.

- b. In **'Scores'**, you can allow multiple attempts, show/hide students' scores on their submission, show/hide correct answers on their submission.
